WEB DESIGNER / GRAPHIC DESIGNER

My goal as a recent college graduate from Platt College is seeking a professional level Web Designer position with my Bachelors Degree in Media Arts with emphasis in Web Design. As a highly motivated individual, I'd like to find a position creating, maintaining, and improving websites. My personal strengths include a positive attitude, the ability to work well with others, flexibility, resourcefulness, and a strong work ethic.

Operating Systems Capabilities:

MAC/PC Platforms

Software Applications:

Dreamweaver CS3, Flash CS3, PHP MyAdmin, FTP Surfer, Photoshop CS3, Illustrator CS3, InDesign CS3

WEB:

- (X)HTML
- CSS 2.0
- ActionScript 2.0/3.0
- PHP
- JavaScript
- File Structure / Maintenance

DESIGN:

- Photo Composition
- Masking
- Photo Manipulation
- Use of Gradient Mesh
- Color Correction
- Advanced Pathfinder Functions

DESIGN: (CONT.)

- Typesetting
- Page Layouts

- Bezier Tool Production
- Color Separations
- Typography

EDUCATION

Bachelors of Science Degree in Media Art, Emphasis: Web

Platt College, San Diego, CA (2008)

EXPERIENCE

Keller Williams Real Estate, San Diego, CA

2006 - Present

Graphic Designer -

Coordinated marketing materials to increase inquiry about the housing market. Contacted potential clients through self-created direct marketing materials such as mailers, flyers, business cards, and postcards to increase sales.

- Meet with clients to discuss their needs
- Take photographs of real estate properties for design work
- Interpreting the client's overall business needs

NICHOLAS C DYER

EXPERIENCE CONT.

Masterpiece Leaded Windows, Poway, CA

2007 - 2008

Graphic Designer / Web Designer -

Created graphic design projects (business cards, flyers, signs), maintained the company website, and provided general IT support. Completed projects for our builders on tight deadlines. Created templates for marketing materials and projects. Participated in team meetings to streamline the production of workflow to maintain the demands of our builders.

- Contributed money saving marketing ideas
- Implemented a project system that increased overall quality of production
- Supervised and trained employees in my department

“We know Nick Dyer to be an honest and straightforward young person with an excellent future in front of him. His computer skills, knowledge, and willingness to work, will definitely be an asset to a larger firm that requires a need for his professional skills.”

Masterpiece Leaded Windows - *Joel Debus* - *James Debus*

AmeriGas Propane Company, San Diego, CA

2005 - 2007

Propane Meter Reader - Monthly Customer Services

Successfully maintained a monthly quota of customer meter readings. Also assisted office employees with troubleshooting computer repairs.
